

# Homemade Holiday Supply List

## Snow Globe

- Distilled Water
- Glycerin
- Glitter
- Mason Jar or Water Globe (must have a lid)
- Figurines or small toy
- Confetti
- Extra Strength Glue or Super Glue
- Acrylic Paint (to make your small toy waterproof if your object is not)

## Pinecone Tree

- pinecone- preferably one that can sit upright
- green acrylic paint
- paint brush
- school glue
- thin wire ( if making a garland for the tree)
- Optional items to decorate the tree (i.e. beads, pom poms, glitter, felt, more paint colors, etc.)

## Glowing Snowman Magnets

- LED Tealight Candles
- Foam Craft Sheets
- Glue
- Thin Black Permanent Marker
- Magnets

Directions:

1. Pull the protective tab out of the battery compartment of each tealight candle.
2. Carefully glue a magnet to the back of the tealight, ensuring that glue does not make its way to the on/off switch.
3. Draw a snowman's face on the tea light with a black permanent marker. Cut out hats and scarves from the foam craft sheets and glue them to the tealight to complete the snowman's ensemble

## Fun Filled Ornaments

- clear plastic ornament
- pom poms
- Gems
- Glue
- Any other items that you want to decorate your ornament with.

### Directions

1. Very carefully remove the top of the ornament and set it aside.
2. Open the package of pom poms
3. Gently put the different size pom poms into the ornament.
4. When it is full, put the top back on.

### Optional Ideas

- snowflake stickers Construction Paper
- Gems Faux Snow
- Chenille Mini bells
- Permanent Marker
- Cotton Balls
