Saturday, July 17 11 am - 12 pm
Special Edition: Nature Expo 2021!
DFW's Urban Wildlife

Dallas/Fort Worth is an urban ecosystem! We share the metroplex with so many different animals. Learn a little bit about our natural neighbors with show-and-tell of animal skulls and pelts. Presenter Sam Kieschnick, urban wildlife biologist for the Texas Parks and Wildlife Department, will also guide you in some ways to help them survive and minimize any conflict.
