

Master Naturalists Present...

Nature presentations from local experts of
the North Texas Master Naturalists
Every 3rd Saturday @ 11 AM

Saturday, June 19 11 am - 12 pm
**Feathering your Nest: Attracting
Feathered Friends to your Yard**

Enjoy your morning coffee even more as you relax while watching colorful birds eating, bathing, nesting, and raising their young right outside your window. Make your yard more fun for your family and also beneficial to nature by planting the plants birds need to call your house their home. Learn what you can do to care for birds right in your own yard. Tour a local Master Naturalist / Master Gardener landscape to see things you can do too!

**This program is available online only, through Zoom.
