

Let's Write a Spring Haiku Poem

(Kids version)

Imagine you are stepping into nature on a spring day.

- What do you see, hear, smell, or touch?
Trees, flowers, birds, squirrels, insects, anything else?
- How are you feeling?
Happy, excited, sleepy, relaxed, sad, anything else?
- Write three short sentences to describe the scenery.
- Optional: Follow the 5-7-5 syllable pattern.
