

Master Naturalists Present...

Nature presentations from local experts of
the North Texas Master Naturalists

Saturday, May 21 11 am - 12 pm

Intro to Basic Mycology 101: Mushrooms and other Fungi

Zoologist and science educator Eva Gordon will provide an introduction to kingdom Fungi, that will include taxonomy, anatomy/life cycle, ecological roles, the importance of fungi, and will focus on Basidiomycota and Ascomycota, spotlighting on a few of the most noticeable groups within the phyla. Attendees will learn about the fungi identification process and how to use various resources to learn more.

This program is available online only, through Zoom.
