

The logo for SMART Summer features the word 'SMART' in large, colorful letters: 'S' is green with a molecular structure, 'M' is orange with a ruler, 'A' is purple with a swirl, and 'R' is red with a book. To the right is a blue robot wearing sunglasses and a small antenna. The word 'Summer' is written vertically in orange on the far right. Below the letters, the text 'with Mayor Johnson' is written in a green cursive font.

Starts June 4!

Take advantage of free summer activities at your neighborhood library. Reading and learning and fun happen every week June through August. Make it a SMART summer at Dallas Public Library!

Read every day and earn great prizes! Track each day you spend at least 20 minutes reading. After 10 days of reading, visit the library to pick up your free book! Keep reading and get more prizes after 20, 30, 40, and 50 days, plus be entered to win grand prizes! Parents and adults can win, too! Sign up at dallaslibrary.beanstack.org.

Visit the library every week to do **hands-on projects**. Launch an egg into space, make a torch that really lights up or create art out of a science experiment. Can you build a structure that withstands an earthquake?

See great performances for free at your neighborhood library! Meet adorable **animals**, be amazed by magicians, see incredible **science experiments** and so much more!

Free summer lunches for ages 0-18 are available at select library locations. No registration or proof of need required - if you're hungry, come on in!
