

The University of North Texas
Department of Educational Psychology

Is Conducting a Research Study On

Parent Involvement and Children's School Readiness

in Dallas, Richardson, Irving and the surrounding areas

Title: Texas HIPPY Corps and HHSC Technical Assistance Grant Evaluation

Who can participate?

Parents with children between 3 and 5 years old

Purpose of Research:

To measure parent involvement and children's school readiness compared to families in the HIPPY program

Study Procedures:

You will fill-out online questionnaires and your child will complete a school readiness assessment

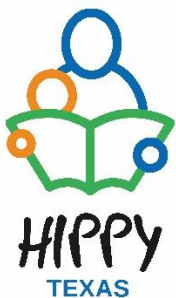

How long will it take?

A 30-minute session in September or October and a 45-minute session in May or June

Compensation: You won't receive compensation for participation

Principal Investigator: Wendy Middlemiss
