

Visiting the J. Erik Jonsson Central Library

Soon I will be
visiting the
library!

We will park
our car
under the
library in the
parking
garage

When I enter, a security guard will greet me. They can help me find my way.

I can walk, take
a bus, or ride
the DART
instead of
going in a car.

I will take the elevator to the floor I want to visit.

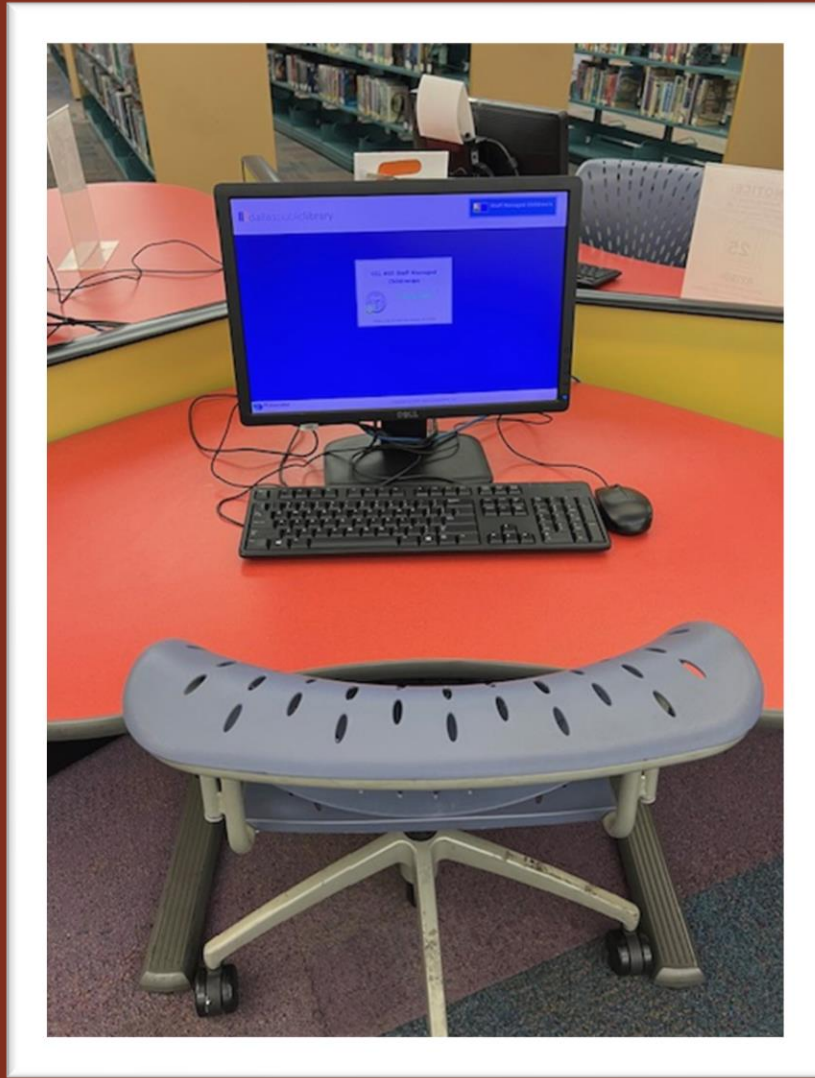

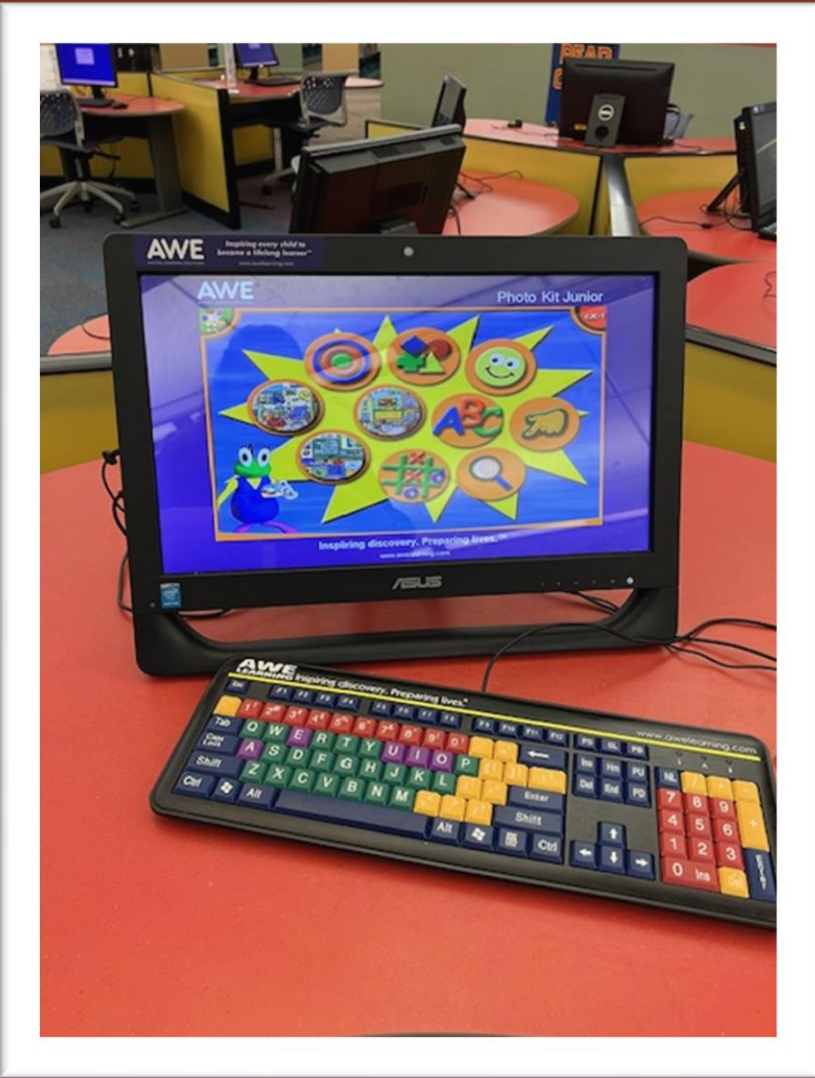

There 8
floors in the
library that I
can visit.

There are many things to do at the library.

I will see new things to look at and explore

I can use a computer

I can choose
a book to
look at or
read.

There are places to sit and read or rest.

There are
bathrooms I
can use if I
need to.

I will need to use my library card to check out a book if I want to take it home.

If I need help, I will ask the library worker at the desk.

Sometimes at the library I can make a craft,
play a game, or listen to a story.

It's time to go now, but I can come back to the library another day.
